

# Come Talk to Us

The Illinois Department of Transportation is establishing its overall Disadvantaged Business Enterprise program goal for participation in highway, transit and airport construction contracts by minority and women owned businesses for federal fiscal year 2004, which begins October 1, 2003. **We need your help** to establish a level playing field for the participation of minority and women owned businesses.

It's your chance to tell us what's on your mind and provide us information that will help in meeting our goal of building mutually beneficial relationships within our communities.
